

# Reward Solid

## Solid Flatware Presoak

Product Number 4279

### Description

This unique solid product provides effective and economical presoaking of kitchenware and cuts down wasted product. Quickly softens the toughest food soils from kitchenware and flatware prior to mechanical washing. For use on flatware, silverware, pots, pans, utensils, and many other kitchen items. Works in all water conditions. Shipping container has an easy lift handle for placing jar into dispenser. Pleasantly fragranced.

### Directions

This product should be dispensed only from equipment designed specifically to handle solid capsule detergents. Remove cap and place inverted capsule into bowl unit. Set the detergent timer to flush an adequate amount of water to flush against block and flow into presoak tub/tray. Fill the remainder of the soak pan with warm water. Place flatware into pan and allow soaking until soils have been loosened. Rack flatware and rinse with water from sink to remove excess detergent, and then wash as usual in mechanical washer. For pots and pans that require extra soaking, direct detergent solution into sink and fill with warm to hot water. Place pots and pans into sink and allow to soak until the soils can be easily removed.

### Technical Data

Form .....	Solid	Foam .....	Medium
Color .....	Green	pH (1% solution) .....	9.7-11.0
Scent.....	Mint	Phosphated .....	Yes

**Product Category:** Food Service Specialties  
**DOT Shipping Name:** Compound, Cleaning, Dry

#### WARNING

**HAZARDS:** Causes skin irritation. Causes serious eye irritation.

**PRECAUTIONS:** Wash hands thoroughly after handling. Wear eye protection.

**RESPONSE/FIRST AID:** Have product container or label with you when calling poison control center or physician. **IF ON SKIN:** Wash with plenty of soap and water. Take off contaminated clothing and wash before re-use. If skin irritation occurs, get medical advice/attention. **IF IN EYES:** Rinse cautiously with water for several minutes.
